

Hacktoberfest 2021

Let's mentor newbies to kickstart their open-source journey

@vinitshahdeo

As mentors you trade away the hours that you could use to pursue your own career goals and spend them on someone else's, I salute you for that!

~ @vinitshahdeo

The problems we're trying to address

- 👉 I am a beginner, how can I get started on GitHub?
- 👉 I want to mentor newbies, where can I find my mentees?
- 👉 Where can I find beginner-friendly repositories/issues?
- 👉 I am looking for a speaker to organize a session on open-source?
- 👉 How can I grow my presence on GitHub?

As a mentor you'll

- 🙏 resolve beginner's doubts
- 👍 share beginner-friendly issues (& repositories)
- 💬 engage with other community members
- 🤝 welcome and help others to finish the Hacktoberfest challenge

100 Mentors

We're looking for 100(even more) mentors

1 Mentor : 10 Mentees

A team of 100 mentors can help 1000 newbies to complete their Hacktoberfest challenge

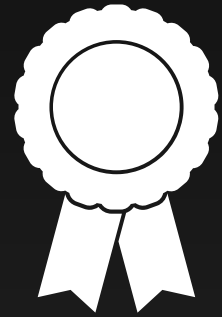

Anyone can request an event

Will you be interested in taking sessions on open-source?
